PRESIDENT'S REPORT 2025/26

Congratulations to all teams who won premierships and to the players who won individual awards in season 2025-26.

Special congratulations to our top grade premiers, Tarneit Central CC, who won both the Luscombe and Stringer Grade competitions. A great effort as they came from 4th place after the home and away season in the Luscombe Shield and also from behind in the Stringer Shield grand final. Congratulations as well to the Merrifield Panthers CC who won the Vic Kyte Shield and a special mention also goes to Chargers CC who finished second in the Luscombe Shield for the first time.

Our representative teams at the VMCU carnival had strong performances across the board with one of our girl teams and two of our boys teams managing to win their divisions. All of our representative teams played in a competitive and sportsman-like manner. Our future stars were ably supported by the wonderful efforts of everyone connected to the teams and the organisation of the carnival.

One of the great things about community cricket is the opportunity for father-son and mother-daughter combinations to play in the same team. It has been happening for quite a while but this year I noticed it first hand whilst both playing and getting around as a spectator. The team for which I played had 4 father-son combinations. It was replicated in most teams in the lower grades. Speaking from personal experience it's a rewarding and unique opportunity. The only downside is you don't dare drop a catch off the others' bowling or run them out. It can have a detrimental effect on family harmony.

A season of cricket does not run by itself and so it's appropriate for me to officially thank the relevant people: To Bill Maddern, Vanessa Brooker, Bob Byron and Alan Sutherland, our NWMCA administrators, for their great work in running the association on a day to day basis and for preparing presentation night proceedings.

My sincere gratitude to each of my fellow NWMCA board members:

Firstly, thank you to Bernard Morrow, who, as always, conducts a thorough and professional approach to all financial matters.

To Vikkas Dhingra, Bikramjit Sidhu, Frank Rechichi, Sue Brunner, Shelley Hereora and Litara (Tarz) Va'auli thanks one and all for your time, vision and wisdom. Your input is greatly appreciated

To our umpires - thanks for a job well done. We are always on the lookout for more senior umpires. So if you are thinking of making a call on your playing days please consider joining the umpiring ranks.

A special thank you also to club administrators and delegates for your hard work throughout the year. Your efforts are greatly appreciated by the association administration.

See you all next season.

Vale – Ern Girolami

24 July 1926 – 1 September 2025

It is with profound sadness that the Association acknowledges the passing of **Ern Girolami**, who passed away peacefully in his 100th year.

Ern was one of Victorian community cricket's most respected administrators and a man whose influence extended far beyond the boundaries of any one club or association. His lifetime of service, leadership, and unwavering commitment helped shape community cricket across Melbourne and left an enduring legacy that will be remembered for generations.

Joining Haig Amateur Cricket Club in the 1974/75 season, Ern became a driving force behind the Club's growth and success. He served on the committee from 1977, was Vice President from 1980 to 1982, and then led the Club as President for an outstanding 18 years until 2000. On the field, he captained the 2nd XI, 3rd XI, and 4th XI, proudly becoming the inaugural captain of both the 3rd and 4th XIs.

Ern's vision and dedication, however, reached well beyond Haig. As President of the Coburg District Cricket Association and an Executive Member for 15 years, he played a pivotal role in the administration and development of local cricket. Following the formation of the Moonee Valley Cricket Association, his contribution continued to be recognised as part of the strong foundation upon which our Association has been built.

A Life Member of both the Haig Amateur Cricket Club and the Coburg District Cricket Association, Ern also represented the CDCA and later the MMVCA as a delegate to the Cricket Union of Victoria. His eight years serving on the Executive Board of the Cricket Union of Victoria demonstrated the high regard in which he was held throughout Victorian cricket. He was a trusted leader, an advocate for community sport, and a passionate believer in the values of cricket.

Ern's legacy is measured not only by the positions he held, but by the countless volunteers, administrators, players, and clubs he supported throughout his lifetime. His wisdom, integrity, and tireless commitment strengthened community cricket and inspired those who had the privilege of working alongside him. The NWMCA is very proud to have a shield named in Ern's honour.

On behalf of the Board, member clubs, volunteers, players, we extend our sincere condolences to Ern's family, friends, and all who knew him.

Ern's contribution to Victorian cricket will never be forgotten. His legacy lives on in the clubs he helped build, the competitions he helped strengthen, and the people he inspired through his extraordinary service.

Rest in peace, Ern.

Your dedication to community cricket has left an indelible mark, and your legacy will continue to guide and inspire future generations

VALE GRAHAM MUIR

It is with deep sadness that we acknowledge the passing of Graham Muir, a true servant of community cricket whose legacy will endure for generations.

Graham played a defining role in the establishment and early development of Buckley Park Cricket Club. As President from 1982/83 to 1990/91, he remains the longest-serving President in the club's history, providing outstanding leadership and guiding the club through its formative years. He continued to serve as Vice President from 1991/92 to 1994/95 and, in recognition of his exceptional service, was awarded Life Membership.

Graham also made his mark on the field, playing 17 matches and claiming 30 wickets at an average of 20.60, including remarkable best figures of 6/31. He was the recipient of the Second XI Bowling Award in 1983/84 and captained the Second XI during the club's early years.

His impact on Buckley Park is permanently recognised through the Graham Muir Bowling Award, presented each season to the club's First XI leading wicket-taker—a fitting tribute to a man whose commitment helped lay the foundations of the club.

Beyond Buckley Park, Graham's influence on Victorian community cricket was equally significant. He served as President of the North West Metropolitan Cricket Association from 1996 to 2004, was awarded Association Life Membership, and dedicated 15 years as a General Committee Representative. His outstanding service to the Association is honoured through the Graham Muir Shield, ensuring his name will forever be associated with excellence, leadership and dedication to the game.

Many members of the Buckley Park and wider cricket community were privileged to celebrate Graham's 90th birthday only recently. It was a wonderful opportunity to recognise and thank him for a lifetime of service, leadership and friendship—a celebration that now carries even greater significance.

On behalf of the North West Metropolitan Cricket Association, we extend our sincere condolences to Graham's family, friends, and everyone at Buckley Park Cricket Club. Graham's passion, vision and unwavering commitment to cricket have left an indelible mark on our Association and the broader Victorian cricket community.

His legacy will continue to inspire future generations, and he will be remembered with the utmost respect, gratitude and admiration.

Rest peacefully, Graham. Your contribution to cricket will never be forgotten.

The Buckley Park Cricket club reflected on the award:

Buckley Park Cricket Club is incredibly proud to congratulate Brian Moloney on being awarded Life Membership of the North West Metropolitan Cricket Association (NWMCA).

VICE PRESIDENT - SENIOR CRICKET 2025/2026

Another season has finished – they seem to go past really quickly these years!

Great to see 7 two day-competitions in season 2025- 26 – and a different club winning Luscombe Shield- congratulations to Tarneit Central

We continue to be one of the few competitions in the north of Melbourne that offers multiple formats for senior cricket – two day matches, one day matches (Saturday and Sunday)

We continue to attract clubs to our competitions as we offer varying formats. We are planning for a further shift again away from the longer form of the game in season 2026-27. There will likely be some re-configuration of our two day Saturday grades.

We will look to bring back an Open Age T20 competition – possibly on Sunday mornings, and will explore an open age Hundred competition during the week.

Thank you to all the NWMCA Board, but especially our administrators – without them the competition wouldn't run as smoothly as it does. They do a superb job! It gets harder and harder each year – we have expanded our administration team and they are working closely with clubs – but that of course means additional costs. We are also looking to refine our leadership roles, which may mean a change for some of us,

Looking forward to season 2026-27 – it's not too far away. Wishing everyone a great season 2026-27.

Vikkas Dhingra
Vice President Senior Cricket

NWMCA has had another successful year. Team and player numbers are stable as growth is constrained by a lack of grounds. There have been many clubs applying to join the association but have not been able to secure grounds. Unfortunately, many of these clubs are usually one or two team clubs and councils are reluctant to lease grounds to them. Councils are also requiring clubs to have junior and female teams and be part of a sports club that can control the ground for twelve months of the year.

It is good to see new clubs featuring prominently in the top grade. Congratulations to all the premiers, especially Tarneit Central, on winning Luscombe shield for the first time.

Thank you to all our hard-working board members, Vikkas, Bikram, Bernard, Shellee, Tarz, Frank, Sue and President Brian Moloney.

Cricket is becoming more complex to administer, and we now welcome Alan Sutherland (full time) and Talia Lo Nigro (part time) on board to join Vanessa and Bill in the administration of our Association. Thank you for all your hard work and dedication to the smooth running of our Association.

This year we concentrated more on the development of our rep teams, and our performance showed great improvement. We won the Mitchell shield and the Fatone shield in the under 12 boys and Under 12 girls competitions, runner up in the Josh Browne plate (boys U12) and showed great improvement in all other grades. We felt that the introduction of our rep players to a good level of cricket enhanced their love of the game.

With Cricket Victoria not offering female cricket at association level next season in conjunction with the VTCA we are offering a structured senior female competition consisting of three levels, competitive, semi competitive and social. Although it has been a lot of work team numbers have already increased. We thank the VTCA for their work as the two associations are completely harmonious.

Regards Bob Byron

Administration Manager

VICE PRESIDENT JUNIORS REPORT 2025/26

It is my privilege to present the Mixed Junior Section Annual Report for the 2025/26 cricket season. This year has been an outstanding period of growth, community connection, and elite player development across our entire junior program. From our grassroots programs to our representative squads, our young cricketers continue to display immense talent, discipline, and a deep love for the game.

Player Numbers & Stakeholders

Our overall junior participation remains incredibly robust, driven largely by our close relationships with our member clubs, local government partners (Brimbank, Darebin, Hobsons Bay, Hume, Melbourne, Melton, Merri-bek, Moonee Valley, Whittlesea) and Cricket Victoria.

Through combined development strategies across our footprint, player registrations reached a total of 4394 players allocated to Junior mixed teams during the season (includes players registered at more than one Club and/or playing in a higher age group).

In total we had 274 mixed junior teams, an increase of 26 teams from the 2024/25 season.

COMPETITION	TEAM NUMBERS	GROUPING
Under 10 Friday	80	Neighbourhood
Under 12 Thursday	13	2 Grades
Under 12 Friday	53	4 Regions
Under 12 Saturday	13	2 Grades
Under 14 Thursday	5	1 ST Season
Under 14 Friday	42	5 Grades across 3 regions
Under 14 Saturday	26	3 Grades
Under 16 Friday	31	4 Grades
Under 16 Saturday	11	2 Grades

I would like to congratulate all individual award winners, premiership players and Clubs on your outstanding performances this season.

Pathways & Representative Cricket

A primary focus of our junior program is ensuring a clear transition from community club cricket into higher-performance programs. Our alignment with the revised Cricket Victoria Pathway model has provided a streamlined journey for our elite boys. Our internal academy sessions and trial structures have fed directly into Cricket Victoria's regional programs, including selection pathways for the Dowling Shield (Under 16 Male). We are exceptionally proud of our local players who were selected to transition into these Premier Club academies this past summer.

VMCU Junior Carnival: Boys Representative Campaign

The 2026 VMCU Junior Representative Carnival held in January was a resounding success. We again entered the maximum number of teams to compete in the various Shields and Cups to ensure our most talented players represented the NWMCA. The VMCU made major changes to the age groups which resulted in the need to pivot from our approach in previous junior carnivals. Our boys representative teams showcased outstanding resilience and skill against the best metropolitan talent in Victoria.

It was pleasing to see Steve Coach our Under 12 team to bring home the Mitchell Shield for the first time in over 20 years. VICE PRESIDENT FEMALE CRICKET 2025/2026

NWMCA Vice President - Female Cricket Annual Report 2025/26

As another cricket season comes to a close, it is incredibly rewarding to reflect on the continued growth and strength of female cricket across the North West Metropolitan Cricket Association. This season has once again demonstrated the resilience of our clubs, the passion of our volunteers, and the commitment of our players, coaches and families to creating opportunities for girls and women to enjoy our game.

Female cricket continues to grow and this season's participation numbers are a testament to the collective efforts of our clubs. It is pleasing to see more clubs investing in female cricket, strengthening pathways, and providing welcoming environments where players of all ages and abilities can develop their skills, build friendships and foster a lifelong love of the game.

Our junior girls' competition continued its positive trajectory, with 29 teams representing 20 clubs taking the field throughout the season. These numbers reflect not only growth in participation but also the increasing depth and quality\ of our competitions. Congratulations to our 2025/26 Junior Girls Premiers:

Under 12 NWMCA: East Keilor Cricket Club

David Woodgate Shield: Strathmore Blue Cricket Club

Under 14 North East: Westmeadows Cricket Club

Catherine Morrow Shield: Strathmore Cricket Club

Under 17 NWMCA: Westmeadows Cricket Club

Our representative program also provided another highlight for the season. Congratulations to our Under 12 representative team, who were crowned **Claudia Fatone Shield Premiers** at the Victorian Metropolitan Cricket Union Carnival. This outstanding achievement is a reflection of the talent emerging through our junior pathways.

The senior women's competition also continued to flourish, with 20 teams from 19 clubs competing throughout the season. The standard of cricket continues to improve each year, and it has been encouraging to witness the competitive spirit, sportsmanship and strong sense of community that defines our women's competitions. Congratulations to our 2025/26 Women's Premiers:

Geoff Law Shield: Pascoe Vale Hadfield Cricket Club

Georgie McElligott Shield: Aberfeldie St Johns Cricket Club

South West Competition: Bellbridge Women Cricket Club

While premierships rightly celebrate excellence on the field, the true success of our female competitions extends far beyond results. Every new player who picked up a bat for the first time, every volunteer who gave their time, every coach who nurtured confidence, and every club that continued to invest in female cricket has contributed to another successful season. These collective efforts are building a stronger, more inclusive future for cricket across our Association.

I would like to sincerely thank our clubs, committee members, coaches, team managers, umpires, parents, carers and volunteers for the countless hours you dedicate throughout the season. Your passion continues to be the driving force behind the success of female cricket in our region.

I would like to also express my deepest gratitude to my fellow board members and administrators for their exceptional commitment, dedication and service to our NWMCA community.

Looking ahead, the future of female cricket within the NWMCA has never looked brighter. While this season has been one of growth and resilience, season 2026/27 promises to be one of the most significant in our Association's history. NWMCA and Victorian Turf Cricket Association (VTCA) have unified to adopt the former Cricket Victoria Women's Community Cricket Competition (WCCC), creating a new and expanded senior women's competition across both associations. This new partnership will deliver a more sustainable and robust three-tier competition structure, played across both turf and synthetic wickets. Offering greater development pathways and enhances competitive balance across all grades. It is an exciting integration that reflects the continued momentum of women's cricket and our shared commitment to its future.

None of this progress would be possible without the dedication of our NWMCA/VTCA board members and administrators, the Women's Advisory Panel and our clubs. Thank you!

Finally, I congratulate every player who represented her club or the NWMCA this season. Whether you celebrated a premiership, represented the Association, or simply took the field each week with enthusiasm and determination, you have all contributed to another outstanding season. As we prepare for this exciting new chapter, I have every confidence that together we will continue to build a stronger, more inclusive and more connected future for female cricket. The foundations are firmly in place, the opportunities are expanding, and the best is undoubtedly still to come.

UMPIRING in the NWMCA – season 2025-26

Thank you to all our dedicated and committed umpires on both the Senior and Junior panels.

With around 35 regular senior umpires, and 80-100 junior umpires to be allocated to matches each week, thank you to our Administration team, assisted by Marcus Lee (junior umpires) for the hard work on recruiting, educating and allocating all Umpires

The NWMCA engaged Calvin Francis as Senior Umpires Advisor for the first time in 2025-26. This was a learning experience for both Calvin and the NWMCA Administration team. A successful relationship has been formed, and Calvin has been engaged as Senior Umpires Advisor, in an expanded role, for season 2026-27.

We also trialled a Junior umpire development program in the second half of season 2025-26 – this revolved around experienced Junior umpires being allocated to senior games, with an experienced Senior umpire as mentor. In most cases, the Junior umpire stood at Square leg for the whole game.

The Junior umpire development program will be expanded and refined in season 26-27, with Calvin Francis, as Senior Umpires Advisor, feeding into that program.

Congratulations to the Senior Umpires who officiated in Senior Grade Grand Finals:

Junior Umpires

With around 120 umpires on the Junior panel, we had another successful season with this program. There are some gaps in certain areas with limited umpires available for matches – something we will look to correct in season 2026-27.

Joshua Butler Peel was awarded the Terry Scott medal as the Best Junior Umpire for season 25-26. The medal was awarded to Joshua by Darrell Holt and the Junior Presentation night

Congratulations also to all umpires who officiated in Junior Grade Grand Finals

VMCU Representative Carnival 2026 Umpires

Congratulations and thank you to all umpires who were selected to umpire in the VMCU Representative Carnival 2026 in early January 2026. NWMCA is required to provide umpires for all home games across all age

groups. With 10 teams in the carnival, we generally have 4 or 5 home games on a given day. Thank you to the umpires who give up their holiday time to ensure the carnival runs smoothly

Huge Congratulations to Josh Butler-Peel and Allan Taylor who umpired a Grand Final (not a NWMCA team) in the VMCU Carnival – selection based on performances assessed by the VMCU administrator.

THE DON HUDSON FOUNDATION HISTORY

On Friday January 20, 2006 the Board of the NWCA in conjunction with the Hudson family established a foundation to remember their colleague and dear friend "Donny" Hudson. The purpose of the foundation was to assist in the development of Under 12 cricket and in particular the Mitchell Shield.

The award for the player of the series is judged on umpires votes and not necessarily "best & fairest" but rather the values that Don admired like dress, behaviour & general attitude. Initially the Board recommended to the clubs of the day to donate \$250 each that was aimed to fund the next (5) years of competition. Unanimously, all clubs contributed & the success is evident.

The foundation clubs were ... Aberfeldie, Airport West/St Christophers, Buckley Park, Campbellfield, Clarkefield, Craigieburn, Donnybrook, Doutta Stars, East Keilor, Flemington, Gladstone Park, Greenvale, Jacana, Kealba, Keilor, Keilor Park, Kensington, Merlynston/Hadfield, Mooney Valley, Oak Park, Pascoe Vale Central, Roxburgh Park, St. Bernards, Strathmore, Sydenham/Hillside, Taylors Lakes, Tullamarine & Westmeadows Cricket Clubs.

In 2026, the Hudson family has introduced a new Patron to the realm in current NWMCA Administration Manager – Bob Byron. Bob initially started with the Westmeadows CC some 40 years ago before transferring to the NWMCA in 1992. Since then, Bob has been an outstanding supporter in his hard work and support for NWMCA cricket in general, and specifically with the Juniors and Mitchell Shield. Thanks Bob for your ongoing contributions.

TREASURER'S REPORT 2025-26

It is with much pleasure that I submit the Financial Report for Season 2025-2026, inclusive of the Independent Auditor's Report for the year ended 30 June 2025.

At the time of publishing, the Independent Auditor is scheduled to undertake the financial audit for the year ended 30 June 2026 on 9 July 2026, with his report expected shortly thereafter. That report will be made available to all clubs upon receipt and will also be published with the Annual Report for Season 2026-2027.

I extend my sincere thanks to all club officials for their continued support and collaboration throughout the season to ensure the effective financial performance of your Association.

I am pleased to advise your Association achieved a Net Surplus of \$21,122.93 versus a planned Net Deficit of \$10,000.00. This result was due on the one part to revenue from fines and administrative services provided to clubs, both being income your Association does not plan for nor seeks to rely upon. On the second part, a rent rebate for financial years 2025 and 2026 was provided in this financial year by Oak Park Stadium as compensation for the disruption and inconvenience caused by a number of major works for the basketball stadium at the facility, which in turn meant the NWMCA office was inaccessible/closed for extended periods of time.

The entire cost base of your Association continues to experience price increases consistent with the broader economy. Further, the ever-increasing regulatory compliance and service expectations of our clubs has also required a change to your Association's organisation structure and staffing model, which consistent with this year's budget resulted in higher resource costs.

Importantly, your Association continues to maintain an appropriate level of liquidity as reflected by the working capital elements as detailed on the Statement of Financial Position.

Finally, you will note that your Association continues to be in a sound financial position, and, your Board continues to work tirelessly at providing fiscal prudence across all of its activities, as well as identifying value-add services for clubs. To this final point, I extend my sincere thanks to your Association's administrators for their focus, attention to detail, commitment to all stakeholders, diligence and wise counsel.

Yours in cricket,

Bernard Morrow FCPA FIPA FFA MAICD
